2021-2348 - LKQ Corporation v. GM Global Technology Operations LLC

**NOTICE OF NON-COMPLIANCE**

The Entry of Appearance, Amicus Brief submitted by Institute for Design Science and Thirty-Six Distinguished Industrial Designers are not in compliance with the rules of this court. Within five business days from the date of this notice, please submit a corrected version of this document correcting the following:

**Amicus Brief**

- The court notes that the contact information for Perry J. Saidman included on the document does not match the information on the individual's appearance entered on the docket. Please ensure the corrected document includes up-to-date contact information. If that information differs from the most recent appearance form, please also file an amended appearance as a separate docket entry. Please also update the individual's contact information through the PACER Service Center. Fed. Cir. R. 25(a)(5). Note: a corrected version of this document must still be filed even if the contact information on the document is accurate.

**Entry of Appearance**

- The contact information for Perry J. Saidman on the form does not match the information associated with the user's account. Please ensure the corrected appearance form contains up-to-date contact information. If that information differs from the information associated with the user's account, please also update that information through the PACER Service Center. Fed. Cir. R. 25(a)(5).

If applicable, the deadline for the next or responsive submission is computed from the original submission date, not the submission date of the corrected version.

When filing the corrected document, please include the word "Corrected" in the document title or on the cover. See Fed. Cir. R. 25(c)(4) and Fed. Cir. R. 25(i) for information concerning corrected filings.

A party's failure to timely file a corrected document curing all defects identified on this notice may result in the original document being stricken from the docket. An appellant's failure to cure a defective filing may also result in the dismissal of the appeal pursuant to Fed. R. App. P. 31(c).
